Q: Tell us about your company's involvement in social responsibility and how your company and/or the community has benefited.

Social responsibility is in our DNA, Our Business main focus is People and Risks and we want to help our clients to manage it, in order to empower results that It's so present in our day to day that is mentioned in our Brand. "Aon Empower Results" Helping people to reach their goals and fulfill their potential is at the cornerstone of our activity and is the motivation that moves all our colleagues to present the best solutions for our clients. Amongst many other initiatives of social responsibility, the one that has the most impact is our Aon Global Service Day. Every year Aon dedicates an entire day, across all of the 120 Countries Aon has offices in, where our staff works with organizations through group and individual activities of social responsibility.

Q: What do you hope your team will gain through their participation as mentors in Connect to Success' Corporate Mentoring Program?

First of all to be part of a project that helps improve economy and Human possibility is always a win-win situation. We are providing our time and experience, trying to help WOB to grow and foster, but at the same time we are learning about new opportunities, new ideas and above all enriching ourselves through the example of entrepreneurship, drive and relentless effort from our mentee.

Q: What do you hope the mentee(s) selected by your company to participate in the program will achieve at the conclusion of his/her/their participation?

Our long term goal, and aspirational one, I must say, is to help to bring their project to next level, turning it into a successful venture, ready for new challenges, with a sound and clear go to market strategy, deep understanding of the competitive landscape and opportunities.
